JIRA SOFTWARE AND SCREEN SHOTS

ROADMAP

The screenshot displays the Jira Software interface for a project named "Smart waste management system for metropolitan cities". The main view is the "Roadmap", which shows a timeline of sprints and tasks. The sprints are labeled "Sprint 1" through "Sprint 5". Each sprint contains a list of tasks, such as "As an admin, I give user id and password for ever workers and manage them." and "As a Co-admin, I manage garbage level monitor if garbage get filled I will send location and garbage ID to team truck". The tasks are assigned to team members, and their status is indicated by colored dots. A sidebar on the right provides details for a selected task, including its description, assignee, and status. The bottom of the image shows a Windows taskbar with various application icons and system information.
